LETTER NO.....
DATE.....

January 3, 1961

Mr. Daniel Ellsberg
The Rand Corporation
1700 Main Street
Santa Monica, California

Dear Mr. Ellsberg:

I was unable to hear your paper, "Risk, Ambiguity, and the Savage Axioms," as I had to leave the annual meetings early. I would appreciate a copy of your paper when you have some extra copies made.

Thank you.

Sincerely yours,

Benson Soffer

Benson Soffer
Assistant Professor of Industry
